Verse 1

Never seen this kind of God before
Awesome God, You are in all Your ways
Undisputed, no one can protest
Your Love, Your Kiss, is comforting to me
Demons flee and tremble at Your Name
Every knee must bow and tongue confess
Jesus, Jesus, Jesus! Is Your Name! x2

Refrain:

You're greater
You're stronger
You're higher than any other
You are bigger than what people say
(Bigger than what people say) x?

Verse 2

Who is greater than the Lord Most High?
Searched and searched, and yet we cannot find
A friend and protector, our cover, shield and strength
Lover of my soul and peace within
Demons flee and tremble at Your Name
Every knee must bow and tongue confess
Jesus, Jesus, Jesus! Is Your Name! x2

(Refrain)

Bridge

You're greater
You're stronger
You're higher than any other
Bigger than what people say (Repeat)
