## Salem Cosmos

O..yeah  
Salem Cosmos alongside king LOVEL yea  
Jehovah we sing and give you praise  
Edumare Oba, we worship you  
Oh Lord we lift our hands to you  
We lift our voice in praise and worship yea ee  
Everybody shout Halleluya  
Every nation shout Halleluya  
As for me and my family:  
We will praise Jehovah Yaweh for life o.  
I cannot forget that great day: the sweet day that my Jesus changed my life (Come on lift your voice and lets give Him praise),  
I cannot forget that great day: the sweet day that my Jesus changed my life (Come on lift your voice and lets give Him praise),  
Never knew it was for me that Jesus went to the cross; died on the rugged cross (Come on give Him praise)  
He died for me (Come on give Him praise)  
Monday, Tuesday, Wednesday, Thursday, am gonna give Him praise (Come on give Him praise)  
Friday, Saturday, Sunday, 24/7 am gonna sing my praise (Come on give Him praise)  
All the days of my life, I will serve Him and I will give all of my praise (Come on give Him praise)  
In war I will call Him (Come on give Him praise)  
CHORUS:  
Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him)  
Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him).  
If you work harder, you gat to pray harder cause without the Lord you gonna suffer so harder  
Its not by might, your strength or your wisdom but my Spirit says the Lord God Almighty  
If you give Him your trust, Hell never let you down  
And if you give Him your service, Hes gonna service your life  
Cast on Him your burden and everyday struggling  
Trust in Him always and give Him all the Glory  
I know He will make a way  
I know He will see you through  
The Lords eyes are on the sparrow  
He surely will take care of your tomorrow  
Lord I leave for You my struggling

Cause I know You will make a way for me  
From January to December  
Monday to Sunday, I will praise You Lord.

CHORUS:

Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him)  
Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him).

Holy! Holy! Holy!

All the Angels and sang in Heaven  
On the day Jesus changed my life  
Lets lift our voice and give Him praise:

RAP:

Yes it was my sweetest day  
Yes it was my sweetest day ever (ever)  
When the Lord died on the cross for me  
He went to the cross with all my pain and shame  
On the cross He paid for my iniquity  
And He said its over with my poverty.  
Before then, I had no peace at all  
But now and forever, I live in tranquility.  
My life was scattered , battered and shattered:  
But on His cross that day, I was gathered.  
From that moment, I had a new chapter  
And for real, I feel so different after  
So call Him: Abba Father.

CHORUS:

Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him)  
Let me tell you; the Bible told me:  
Christ knows everything around me  
So you gat to call upon Him (You gat to call upon Him)  
You gat to call upon Him (You gat to call upon Him).
