

Mapocho

Size 8 Reborn

I am so blessed to a point I can't explain
It's like am living in a dream
These blessings are called mapochopocho
Coz they are extra things I didn't deserve
Mapochopocho (pocho)
Pochopocho (mapocho) x4
You don't deserve the clothes you wear
You don't deserve the air that you breathe
You don't deserve the laughter that you are in
Your eyes, your eyes, your legs
These blessings are called mapochopocho
Coz they are extra things you didn't deserve
Mapochopocho (pocho)
Pochopocho (mapocho) x4
I tell you I can't explain
This God loves me even when am sinning
When I disapoint when I reject Him
His love is never ever ending
His love I call it pochopocho
Coz it's extra love I didn't deserve
Mapochopocho (pocho)
Pochopocho (mapocho) x4
Pochopocho is everything that God gives
Pochopocho is everything we don't deserve
Pure mercy, pure grace
Pure faithfulness from our God
Mapochopocho (pocho)
Pochopocho (mapocho) x4
