

Who's interested?

True Worshippers in Christ

Verse 1

Man was made to live for ever
With a future that is endless
But Adam blew it in the garden
And left his generations hopeless

Verse 2

With love God came to our rescue
When He gave His Son Jesus
To bring mankind back to His purpose
A simple invitation to us

Chorus

Who's Interested?
Come on enter in
His arms are open wide
Step in His warm embrace
Drop your heavy burden
He'll take you just as you are
Give Him your heart now
And find rest for your soul
Who's Interested?

Verse 3

Everyone longs for a future that's secure
One void of grief and sorrow
He offers an eternity of glory
So get onboard, don't wait till 'morrow

Bridge

There's no other way of escape (There's no other way out)
Jesus is the ONLY Way (The Way, the Truth, the Life)
But it's totally up to you
The choice you make can save your soul

Vamp

Anyone so weary
Anyone so thirsty
Anyone lost 'n' lonely
Anyone?
Anyone hurting
Anyone hard-searching
Anyone done trying
Anyone?
Anyone heartbroken
Anyone with burden
Anyone heavy laden
Anyone?

Anyone suicidal
Anyone in religion
Anyone in confusion
Anyone?
Who's Interested?
