

# I live

## Samchi Vocalz

Verse 1:

You are God  
And you are good  
You are great  
And you are kind  
You are sweet,  
And I love you

Bless your name for who you are

You are God  
And you are good  
You are great  
And you are kind  
You are sweet,  
And i love you

Bless your name for who you are

From age to age  
You never change  
Who you were,  
Thats who you are  
Your promises  
Are ever sure  
Bless your name  
for who you are  
For you have  
Been so good

Youve given me reasons to say

Praise God  
Hallelujah

Bless your name  
for who you are

Chorus:

I live to worship you  
I live to praise your name  
I live to worship you  
Just because  
You alone are God

Verse 2:

You are great and mighty  
Worthy to be praised  
There is no one else like you  
I will lift my voice  
and shout Hallelujah to your name  
No other power can contend with you God

Just because  
All: You Alone are God  
Is there anything too hard for my God to do?  
All: No No No No  
There is nothing too hard for him  
And i will lift my voice  
and shout Hallelujah To your name  
Just because  
All: You Alone Are God  
I live to worship you  
Repeat chorus  
Interlude  
Bridge:  
You alone are God  
All: you alone are God X3  
Just because  
You alone are God  
Outro:  
I live to worship you  
I live to praise your name  
I live to worship you  
Just because  
You alone are God
