

Prophetic Vitamin

Alifted

VERSE 1

From the innocence, of my heart
And the integrity, of my hands
I sing this song unto you my lord
I call your name in the language of man
Your angels shower me with words from heaven
O Mighty surgeon of creation(2ce)

CHORUS (2ce)

Your word is my prophetic prophetic vitamin
Your word is my daily dose of blessing
Your word is my nourishment of biblical goodness
Your word replenishes me, replenishes me

VERSE 2

Thank You Lord for life's big miracles
You're my source of joy and breakthrough
Thank U Lord for oil of divine knowledge
Gained through your heaven-sent kingdom sense
For your word I'm able to digest
Unbelievers blush with envy (2ce)

CHORUS (2ce)

Your word is my prophetic prophetic vitamin
Your word is my daily dose of blessing
Your word is my nourishment of biblical goodness
Your word replenishes replenishes me

When Jesus saves
Spiritual eardrums [2x] will burst open
And our world will be one singing hymn
