

One Man

Pitasings

Say na me or you
Na dem, na we or who
No one wants to take the blame
For what weve become
See the land God gave us
A gift to us
How did we turn our blessing into a curse
The world used to envy us
Back when we had a voice
But now we have failed
Now they ignore us
Our lives is like a circus
When we speak, they wont hear us
We all turn religious
Praying God to help us
Cos the system has failed us
Corruption surrounds us
And everybody is crying
Who can save us
All we need is one man,
One man
All we need is one man
Whos ready to fight
And fight for whats right
A man with foresight
All we need is one man
Whos ready to Lead us
Lead us to the promise land
Who is that Man
It will take you and me
And we can do
All it takes to raise us from this dust
No matter the cost
Well save the land God gave us
Save her from destruction
Everyone who hears my voice
Make a choice
Well walk with our heads high
The world will be watching
Well make a stand
And they wont ignore us
We all must remember
The strength in our number, eh

If we all reachout
We can reach out for that
One man eh, one man eh eh
All we need is one man
Whos ready to lead us
Whos ready to
Lead us to the promise land
All we need is one man
Whos not afraid to say Yes
Whos not afraid to dream
And paint a picture for the future
One man whos not afraid eh eh
To lead us, just like Moses did
One man, eh eh eh eh eh, One man oh oh
We calling out for 'One man
Whos not afraid
Whos not afraid
One man
To lead again
All we need is One man
(Shebi shebi shebi shebi shebi na, One man)
All we need is one man
(Shebi shebi shebi shebi shebi na, One man)
All we need is one man
(Shebi shebi shebi shebi shebi na, One man)
