

Happy

Proclaim Children Choir

?Because of your love
Nothing will take this Joy from me
No matter the cost
I will find rest in your embrace
What then will confined me
No limits can stop me
i have found victory in you
My faith is now lifted
I see my self Rising
Above my pains and doubts
Chorus
I am so blessed
See what Hes done for me
My Heart is so full
With Joy I cant contain
Thats why I say
am happy, happy, happy
?If youre happy and You know
And you really wanna show
If youre happy and you know it sing along
Am happy and I know it
Im Happy and I know it
Im Happy and I Like it
