

# Great God

Godwin Sule

Verse:

You do mighty things, youre indescribable my God  
You are great, greater than anything in this world  
Was it not out of clay that you brought out man to be  
Your love has found me, eternity is not enough to render my praise to you.

Chorus:

Nobody is greater, nobody is stronger, nobody is greater than you  
Nobody is greater, nobody is wiser, nobody is greater than you.

Vamp:

oh oh oh oh

Call: You are great

Res: great
