

I surrender all

Daniel Usman

Verse one:

Je-sus, holy son of God,
How I long, to proclaim your name,
Endlessly, I will crave for you,
I will make my heart your home
Je-sus, you're the holy son of God,
Yes you are, oh God,
How I long, I long to proclaim your name, in all the earth,
End-less-ly, I will crave for you,
I will make, my heart your very home,
Oh ho ho ho ho ho ho

Chorus

I sur-ren-der all to you
Take me Je-sus, all of me,
Humbly at your feet I bow,
Let me feel thy sacred flame (2x)

Instrumentation

Verse two

Thou alone, art my porter,
Shape me now, to thy will oh Lord,
Let your spirit, purge me now,
Have thine own way, Lord today (2x)

Chorus

I sur-ren-der all to you
Take me Je-sus, all of me,
Humbly at your feet I bow,
Let me feel thy sacred flame (2x)

Instrumentation

Even when in sin, I fall,
Even when I fault, your will,
Absolved by your cross, I am,
Holy Je-sus, Holy Je-sus, Holy Je-sus, make me whole. (2x)
