

Grace Works For Me

Val Dimension

Verse 1

I see the stars
I see the moon
I see the wonders of your hands
I see favour
Favours everywhere
I see the way you brought me through
Lord I see the battles you won all through
And I see victories
Victories everywhere
And I hear people dying
Nations falling
Business crumbling
But we are Spreading on every side
On every side
A thousand shall fall at the right-hand side
Ten thousand shall fall on the other side
But am not moved because the greater one lives in me

Chorus:

Grace works for me
I dont know about you
Grace is all I see
The word works for me
I dont know about you
The word of God is real (repeat)

Verse 2

Do you see what I see
Do you hear what I hear
That in spite of everything
The church is marching on
Am not moved by what I hear
Am not moved by what I see
Have got Jesus
Jesus all the way
Though they say theres a casting down
I will say theres a lifting up
Of my hands, of my hands
Repeat Chorus x2
Hook: the word works
The word works for me x3
