

# No anxiety

John Chares

Oluwatosin:

I cast my cares on You  
I cast my cares on You  
I cast my cares on You  
For You care for me

John Chares:

I cast my fears on You  
I cast my fears on You  
I cast my fears on You  
For You care for me

John Chares:

You are bigger than all my problems  
You are bigger than all my fears  
You are bigger than all my troubles

I refuse to be anxious/2x  
I cast my cares on You  
I cast my cares on You  
I cast my cares on You  
For You care for me

Duet: I cast my fears on You  
I cast my fears on You  
I cast my fears on You  
For You care for me

Oluwatosin:

Only young lions  
Are meant to suffer  
Those who fear the Lord  
Shall never lack anything good  
The birds in the sky  
Never toil or labour

Still yet heavenly Father still feed them

He is bigger than all my troubles  
He is bigger than all my pains  
He is bigger than all my troubles

I refuse to be anxious  
I cast my cares on You  
I cast my cares on You  
I cast my cares on You  
For You care for me

Duet: I cast my fears on You  
I cast my fears on You  
I cast my fears on You  
For You care for me
