

I Am That I Am

Fred Mac

Verse:

When we gather
Hes present in our midst
No need to cry
Our God is here to help
It doesnt matter
how long youve been waiting,
Wipe your tears
He can make all things new

Chorus:

I am that I am,
Is present in this place (2x)
I am that am
Is here to heal
I am that I am
Is here to save
I am that I am
Is calling you
I am that I am
Is here to deliver
Owe owe owe owe owe!!!

Bridge:

Doesnt matter who you are,
Your color, where your from.
Hes here to heal.
Doesnt matter who you are
Your color where your from
His here to save.
