

My worship

Zavi

I bring to you
My Worship
I bring to you
My Praise
I bring to you
the Honor
For you alone are king
To the king
who sits upon the throne
we lift our hands to worship you alone
to the one who was and is to come
we raise our voice
to worship alone
I bring to you
My Worship
I bring to you
My Praise
I bring to you
the Honor
For you alone are king
Take My worship
it all belongs to you
heres my praise
i give it all to you
Take my heart
it all belongs to you
Jesus
I give it all to you
Take My worship
it all belongs to you
heres my praise
i give it all to you
Take my heart
it all belongs to you
Jesus
I give it all to you
I bring to you
My Worship
I bring to you
My Praise
I bring to you
the Honor
For you alone are king
