

# No Other Name

## Sinach

No other name above the name  
Jesus  
Yesterday today forever  
You are Jesus  
There's no other name like Yours  
In heaven, earth beneath the earth  
Every knee should bow to the  
Name of Jesus  
Jesus  
No Other name heals all pain  
Jesus  
No Other name is peace of mind  
Jesus  
No Other name breaks stronghold  
Jesus  
No Other name revives my heart  
Jesus  
There's no other name like Yours  
In heaven, earth beneath the earth  
Every knee should bow to the  
Name of Jesus  
Jesus  
Precious Jesus  
You are the Great I Am  
Precious Jesus  
You are the morning star  
Precious Jesus  
You are the Prince of Peace  
Precious Jesus  
You are my everything  
Jesus, Jesus
