

I love You Lord

Dr Tumi

Verse 1

I know no other God like You
who laid down His life
to love a broken man like me
gave Your all
Lord my God my deliverer
and in whom I trust
i my distress I called on You
and You heard my cry

Chorus

And I love You Lord I love You
cos You first loved me
You first loved me first loved me
and died on the cross
died on the cross on the cross
washed my sin away
You washed my sins washed my sins
and now I am free

Verse 2

My peace my everlasting joy
Youre my hiding place
my shelter on those rainy days
Youre my rock my strength
my saviour my provider
Youre my Lord and king
You are the lover of my soul
Youre my life my friend

Chorus

Bridge

Free from all bondage no longer a slave
took off the shackles now Im free
I know no other love that could be greater
while I was yet a sinner Christ died for me
died for me

Chorus
