

My Solid Rock

Tosin Oyelakin

My hope is built on nothing less
Than Jesus blood and His righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus name
Mo ti duro le Kristi Apata (On Christ the Solid Rock I stand)
All other ground is sinking sand
Mo ma duro le Kristi Apata (On Christ the solid Rock I stand)
All other ground is sinking sand
You alone You are all the help I see
You are my present help in every time of need
You are the only One whos always near

Chorus

Eyin loba Afunni ma siregun
(You are the King who gives without throwing it in ones face)
Olowo ori mi (My owner)
Lover of my soul
Eyin loba Afunni ma siregun
(You are the King who gives without throwing it in ones face)
Olowo ori mi (My owner)
I bow before You
When other ground
Other ground is sinking sand
I go to the Rock Who is higher than I
I lift up my eyes to the hills
When other ground
Other ground is sinking sand
I go to the Rock Who is higher than I
I lift up my eyes to the hills

Chorus

Kabio o si o (King, who can question You)
Oluwa, Kabio o ma si (Lord and King, who can question You)

Chorus

Kabiyesi re (Oh King)
You alone are God
Jehovah is Your name
Oga ologo (King of glory)
Kabiyesi re (Oh King)
You alone are God
Jehovah is Your name
Oga ologo (King of glory)
You were yesterday
Youre the same today
Tomorrow You never change

You are all the same x2
Tomorrow You never change You are all the same because
All other ground is sinking sand
Tomorrow You never never change You are all the same
All other ground is sinking sand
Tomorrow You never change You are all the same
