It only gets worse when it's gonna get better (2x)
Hold on, change is coming right now

Hold on, change is coming...
Its coming your way!!!

Verse 2

Just because you lost this round
Doesn't mean the fight is over
You can always win again
Keep your head up, don't be sober
I know that this is tough for you
Never wanted to be this low
Don't you give up, hang on, in there
Change is coming, this I know
BGV: because God's with you!!!

Chorus

Change is coming
It's coming in your way
It's coming just for you
Don't give in, don't give up on him
Things are working
They're working in your favor
They're working just for you
Can't you see, change has come for you

Vamp

Things just got better
Better than yesterday
I see my future
I'm in a better place
