Verse 1 (lead)

When broken hands

Begin to clap

When stunt limbs

Begin to jump

When the blind eyes

Begin to see

You will understand that

It's a miracle

When broken hands

Begin to clap

When blind eyes

Begin to see

When someone loses there mind and suddenly regains back

You will understand that

It's a miracle

When the deaf

Begin to hear

You will understand that it's a miracle

When the lame begins to walk
When the deaf begins to hear
When the dumb begins to shout
Hallelujah to your name

When the blind begins to see
When the dumb begins to shout
Hallelujah!!!

You'll understand that it's a miracle
