

Saving Grace

Loyiso Bala

You stripped me of my weakness
And placed in me Your strength
You took away my sickness
And made me whole again.
Lord, I put my trust in You
You'll see me through
I'm freed by Your saving grace
I'm healed by Your saving grace
Jesus, You gave me life
You paid the price
Oh by Your saving grace
You healed my broken heart
And placed over me Your hand
You keep me safe from harm
And love me to the end
Lord, I put all my faith in You
You'll see me through
I'm freed by Your saving grace
I'm healed by Your saving grace
Jesus, You gave me life
You paid the price
Oh by Your saving grace
Jesus You gave me life
Jesus You paid the price
Jesus You make my heart to sing
Of Your beautiful saving grace
Jesus You gave me life
Jesus You paid the price
Jesus You make my heart to sing
Of Your beautiful saving grace
Jesus You gave me life
Jesus You paid the price
Jesus You make my heart to sing
Of Your beautiful saving grace
Free by Your saving grace
I'm healed by Your saving grace
Jesus You gave me life
You paid the price
Oh by Your saving grace
