Verse 1

Mountains are moving now
Strongholds are breaking down.
When your name is mentioned,
When your name is called on
Dry bones will come alive
Captives are being set free
When your name is mentioned,
When your name is called on

Chorus:

Oh What a wonderful name
The Name of Jesus, Jesus
Oh What a wonderful name
The Name of Jesus, Jesus
Oh What a wonderful name
The Name of Jesus, Jesus
Jesus my lord,
Jesus my lord.

Verse 2:

Giants are coming down,
Chains are coming down
When your name is mentioned
When your name is called on
Every knee has to bow
Every tongue must confess
When your name is called on
When your name is mentioned.

Vamp:
