Sometimes life dey rough o..o
Like say na you against the world
No friends to call
No place to hide
No strength to stand
No shoulder to lean on
When you cry.

This na my message for you

Baba God dey hear your cry
He knows what youre going through o..o..o..o
Make you no loose hope in God
When he steps in, things go soft for you

But my friend I understand you well

Out of experience na him I take dey talk
