

# As You are

Caleb Ariyo

As you are  
You made me in your image  
As you are  
You Look at me, you see you  
As you are  
You gave me whole of you  
I have you, I have you  
As you are, I am (x3)  
As you are  
You made me as you are  
Breathe your life in me  
You gave me everything  
Greatest love to me  
(Greatest Love to me )  
Yeah Yeah  
Greatest Love to me
