

Lifted

Frank Edwards

You are the Lord, You never fail

You are the Lord and You are good
Ibu Chukwu onye di nma
From age to age, Youre still the same
Baba idighi agba nwe
Moving around doing good

You are more than a friend

From the rising of the sun
Idighi agarupum
To the going down of the same

You alone Lord I praise
Wonderful, Counsellor
You brought me from the miry clay
And gave my life a meaning
You are more than enough
You are more than a friend
