

# I'm Not Alone

## Shower Power

Sometimes the road gets rough  
And I don't know what to do  
The sky seems so cloudy  
And the storm is about to pass  
In the midst of this confusion  
You put Your hand in mine  
And I know I'm not alone

Refrain:

I know that I'm not alone x2  
Though the devil seems to intimidate me  
I'm not alone  
I know that I'm not alone x2  
I wanna thank you Lord  
For making me know, that I am not alone  
Sometimes when troubles comes my way  
I just don't know what to do  
My friends seem so distant  
And I don't know where to go  
In the midst of this confusion  
You put Your hand in mine  
And I know I'm not alone
