

# House on Fire

JayMikee

Verse 1 We are living in a world that is complicated  
The right seems wrong  
And the wrong seems right, it's complicated  
Different philosophies and ideologies of identities  
This is where we are, it is the world that we live in  
We are living in a world of countless decisions  
Where to go and who to follow, and who to trust  
Oh but everybody knows  
Everyone knows that the clock is ticking  
So choose this day whom you will be serving  
Chorus As for me and my house x2  
We will serve the Lord  
As for me and my house  
There is no other God  
As for me and my house  
We will serve the Lord x2  
It is better than a house on fire x4

Verse 2 We are living in the final times and seasons  
Where many people's love for God  
Will begin to weaken  
Oh but everybody knows  
Everyone knows that the clock is ticking  
So if you are not serving the Lord  
Then whom are you serving?
