

# Forever

## Segun Israel

The mercy of God is forever  
Yes, yes  
Hes not a man that He should lie  
He got no reason to deny  
Everything he said, everything he said hell do  
He is the God of earth and sky  
Theres nothing thats beyond His power  
Just take a look and see,  
All the beauty of His wondrous works  
Say yes  
Yes, yes  
His mercy is forever  
Time after time  
Season after season  
Your faithfulness is sure  
And your mercies they endure forever  
Yes, yes  
His mercy is forever  
He loves me  
He cares  
His mercy is forever
