

Abba Father

Samuel Henteng

You are my life
Resurrection and Power
You are my hope
When all hope is gone
You are my strength
When I am weak
You are my joy in times of pain
I won't trade you for anything 2X
My heart will sing of your love.
Abba father I am so grateful
Great God Elohim
You are so good to me
Abba Father you are so faithful
Great God Elohim
You are so good to me
You are the way
You are the truth
You are the light
When I am lost
You are my help
In times of tears
You are my wealth
In times of need
I will serve you forever Lord(2x)
My soul will sing of your love...
Abba father I am so grateful...
