

What a Bliss

Alifted

Oh! What a bliss

I have a friend his name is Jesus

I have a friend his name is 'Jesus'

I have a best friend his name is Jesus 'Oh Yes'

Oh Jesus "what a friend"

VERSE 2 [x2]

Jesus my friend bears my burdens

Jesus' he bears all my burdens

Jesus my friend he bears all my burdens 'Oh yes'

'Love' made him do it

In this loveless world Jesus is love

The lovely shining light of this world

His life gave us love without limits

His death took away our deadly sins

Oh "what a bliss"

Oh Oh Oh "What a bliss"

I have a friend his name is Jesus

I have a friend his name is 'Jesus'
