

# To You As You

Rosemary Tony-Ayoko

Solo

When my hearts not tainted by the traces  
Of human desires  
When what I want and what Ill gain  
Are not the reason I come  
When Your light shine and leaves no shadow  
Cast by my ambition  
Thats when I bring You  
Acceptable worship

Chorus

Lord I bow my knees to You as You  
Lord I lift my hands to You as You  
I dont seek what You have I seek You  
Tis not silver or gold  
Giving You glory is my only reward  
Lord I bow my knees to You As You

Solo

Lord Ive come to realize  
That Im made to serve You  
All Your works of love and grace  
Are done to bring me to You  
All rival thrones  
I pull down and give my whole life to You  
Let it be, a token of Worship

Bridge

Every knee shall bow  
All tongues confess to the Lordship  
And the saving grace  
Of Your very Son Jesus Christ  
Yes to Him I come bowing my knees

Chorus

Lord I bow my knees to You as You  
Lord I lift my hands to You as You  
I dont seek what You have I seek You  
Tis not silver or gold  
Giving You glory is my only reward (that is the reason why Im standing here)  
Lord I bow my knees to You and not to any other god, no no  
Lord I lift my hands -because of who You are to me  
Lord I bow my knees to You as You
