

Hallelujah

Soweto Gospel Choir

I heard there was a secret court
That they were placed to please the Lord
Who dont really care about the music
It goes like this: the fourth, the fifth
The minor fall and the major lift
The perfect king composing
Hallelujah Hallelujah, hallelujah, hallelujah, hallelujah
Your faith was strong, but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the
Hallelujah Hallelujah, hallelujah, hallelujah, hallelujah
Baby, Ive been here before
I know this room and Ive walked this floor
I used to live alone before I knew you
And Ive seen your flag on the marble arch
And love is not a victory march
Its a cold and its a broken
Hallelujah Hallelujah, hallelujah, hallelujah, hallelujah
There was a time when you let me know
Whats really going on below
But now you never show it to me, do you?
But remember when I moved in you
And the holy dove was moving too
And every breath we drew was
Hallelujah Hallelujah, hallelujah, hallelujah, hallelujah
Maybe theres a God above
But all Ive ever learned from love
Was how to shoot at someone who outdrew ya
And its not a cry that you hear at night
Its not somebody whos seen the light
Its a cold and its a broken
Hallelujah Hallelujah, hallelujah, hallelujah Hallelujah, hallelujah, hallelujah,
hallelujah
