

Na You

Florocka

Father I love you
With all my heart
Lord you save my soul, from shame
Oh thank you Jesus
You came and died
You died on the cross for me
Na you wey save my soul from death
Oh! for you who you are
Oh! yeah!
Lord you picked me up
From ordinary clay
If no be you lord
I no know where I for dey
Oh Lord!
Chorus
Na you wey save my soul from death
Na you oh, Na you oh
Na you wey save my soul from shame
Na you oh, Na you oh
Na you wey save my soul from death
I remember when I was a child
I was sick every other day
It was that year the Doctor said i was gonna die young
But here i am today
Singing and screaming that am so loud
Oh Jesus!
Na you wey save my soul from death
Hallelujah
It's not by my Power
It's not by my might
It's all by your Grace, Oh Jesus!
You could be here and nobody else could have done this
At the mention of your name
Every kneel gats to bow
Oh yeah! they gat to bow
Na you wey save my soul from death
Outro
Everybody sing!
Na you oh
Na you oh
Na you wey save my soul from shame
Na you oh
Na you oh

Na you wey save my soul from death
