

Give Me Direction

Benjamin Dube

Where to from here, if not with you?
My past has kept me where I am
Now is the time to give me directions; to move on
Shine your light upon me
I know that time has come for me
Give me the strength to move on
(Repeat)
Eloi, Eloi, lama sabachthani
Give me directions; to move on
I know that time has come from me
Give me the strength to move on
Eloi, Eloi, lama sabachthani
Shine your light upon me
I know that time has come for me
(Give me the strength to move on
Give me direction to move on)x2
I know that time has come for me
Give me the strength to move on
