

Oluwa is involved

Minister Poi

Jubilate cause your kingdom now has come
Jubilate cause your God is on the throne
While your enemies try to calculate
God has gone ahead to give you accolades
We elevate, elevate
To God we are giving the praise
Our God is setting the pace
From glory to glory we ride on
Our enemies are having a seizure
Our God is giving them a fever
Malaria, hypertension
And now they're coming to surrender
As I dey so the Lord dey by my side oh
As you see me the Lord is on the throne oh
Because everyday Oluwa is Involved
Oluwa is Involved (3x)
I say everyday Oluwa dey involved
Oluwa is Involved (3x)
Because everyday Oluwa is Involved
Oluwa is Involved (3x)
Eh.. aah..
Oluwa is Involved (3x)
It doesn't matter what dem people say
It doesn't matter what the doctor say
God is settling your case today
You will surely overcome today
Our God is here, your change is here
Your rain is here and your debt is gone
As I dey so the Lord dey by my side oh
As you see me the Lord is on the throne oh
Because everyday Oluwa is Involved
Oluwa is Involved (3x)
I say everyday Oluwa dey involved
Oluwa is Involved (3x)
Because everyday, everyday, everyday, everyday
Oluwa is Involved (3x)
Because by His grace we do not camouflage
Oluwa is Involved (3x)
Oluwa is Involved (Repeat)
Eh eh eh, Ah!! Make una dance oh
God don butter our bread
Ephizy, Ephizy.... Halleluyah
Na mi be the one rejected stone

Today na mi be chief corner stone
Let everybody hit the floor
Giving glory to the Lord
Holy ghost I hail, I hail
For everywhere I dey, u dey
I wanna say ose, ose
For all the healing, healing.
