I will call upon your Name  
When everything has failed  
I will lift my weary eyes  
To the place where my help comes from  
And I will not be afraid

And I will run to you  
In my time of weakness and  
will remember your unfailing love for me

### Verse 2

You're my help Lord  
Your Right Hand will hold me when I stray  
You're my help Lord  
There's no fear in me  
I will rise again

My hope in you  
My trust in you  
My life in you
