Yahweh

Yahweh

Do something o

Verse

Our Father who art in heaven

Halloweth be thy name

Thy will be done in my life o

Many are they that rise up against me

They come prepared

prepared to take me out

but youre my shield

the lifter of my head

I no fit come to you and go back the same o
me I know say you must save me from shame

Chorus

Yahweh 6x

Do something o

Yahweh: when praises go up blessings must come down

Yahweh: so we lift up our praises to you

Yahweh: open up the flood gates of heaven

And pour on us your blessings

Yahweh: release your power

Yahweh: meet every need today

Yahweh: so our lives will be changed

Ohh we pray in Jesus name

Chorus
