

# Fill My Cup

Angeloh

VAMP:

I was born with a thirst, so strong, so real, to the bone  
I've been craving for you so long oh Lord  
I've been craving for you so long (repeat section 2x)

CHORUS

Im praying feel my cup Lord  
And lift it up  
Come on and quench, this thirsting of my soul  
Bread of Heaven fill me up till I can have no more  
Oh Lord Im praying (repeat section 2x)

Verse 1:

For as long as I know  
there has been a vacuum in my heart  
For as long as I know  
theres been a craving right from the start  
A hunger so deep  
Burning desires that i cant abolish  
I be holding my peace (piece pun)  
Fighting a war for my quantum of solace (total amount of comfort)  
Still I am not satisfied  
So i searched for ways to fill up this belly of mine  
Tried to fill it with the sex and the money  
Tried to fill it with the love of my life but  
Im sure that you see  
I no bele full even after I finish  
Depressed over victory that I relinquished  
So I confess Holy Spirit

VAMP & CHORUS

Verse 2:

Lord you said  
Blessed are those that hunger and thirst after your righteousness  
For they shall be filled (repeat section 2x)  
So Lord I pray, my knees on the floor  
Asking you Father to open the doors to the stores  
Open the floodgates of Heaven  
Pour out your favours, pour out your mercies  
Grace upon grace  
Blessings on blessings on blessings  
Deliver me from the stressing  
Im tired of messing  
With the affairs of my life  
Give me victory in life

CHORUS
