

# Jesus made it possible

Sajoel Chubi

I was in the world  
Playing around  
Thinking life was made for fun  
But Jesus came and showed me light  
I was lost in sin  
Doing my will  
Doing what I think was right  
But Jesus came and gave me life

Chorus:

Jesus made it possible  
And made me whole again  
Jesus made it possible  
He gave me life to live /2x

I was in the world  
Playing around  
Thinking life was made for fun  
But Jesus came and showed me light  
I was lost in sin  
Doing my will  
Doing what I think was right  
But Jesus came and gave me life

Chorus:

Jesus made it possible  
And made me whole again  
Jesus made it possible  
He gave me life to live /2x  
So I bow down and worship you my God  
Forever, and ever you reign  
So I bow down and worship you my God  
You alone are worthy to be praise\*2

Chorus:

Jesus made it possible  
And made me whole again  
Jesus made it possible  
He gave me life to live /2x
