

# All I need

## Vic Heavens

Take my hand  
Lead me on  
Light my path and I will follow (2x)  
I cannot walk this road alone on my own  
If your presence wont go with me  
Ill go nowhere  
I cannot live this life alone without you  
If your presence wont go with me  
Ill go nowhere  
Your presence is all I need(4x)  
Refrain:  
On my own(2x)  
I cant make it(2x)
