

My Jesus

Victor Nathan

Jesus loves me yes he does
He died on the cross of calvary
For me
For me
For me x2
My Jesus loves me yes he does
Jesus loves me yes he does
He died on the cross of calvary
For me
For me
For me x2
And now i'm free because he loves me
Now i'm saved because
he loves me
He gave himself on the cross of calvary
I'm free
I'm free
I'm free
It's his blood that speaks for me that made me to say
I'm free
I'm free
I'm free
He has bought me now with his blood on the cross
I've surrendered my all to his name
What manner of love is this you've shown
You gave your life for me
You died on the cross of calvary
For me
For me
For me
My Jesus loves me yes he does
Jesus loves me yes he does
He died on the cross of calvary
For me
For me
For me
Jesus loves me yes he does
My Jesus loves me yes he does
He died on the cross of calvary
For me
For me
For me
He is my life yes

He died for me
Yes he did it
And now I'm free just because of his love for my life
I'm free
I'm free
I'm free
He humbled himself and
Came down from above
Just to save me
I'm free
I'm free
I'm free
What have i done to deserve this love from you lord
What did i do that made you to love me this much
That you came down and gave your life for me
Just for me alone
For me
For me
For me
And now because of you
Lord I'm free I'm free indeed
I'm free
I'm free
I'm free
He died on the cross of Calvary
For me for me for me x2
