

# Get Up and Praise

## Segun Israel

### Intro

For somebody out there  
trusting God for a miracle  
You're waiting on God for a promise  
this message is for you  
this is your season  
When you wait  
whatever your prayer  
don't you faint  
God is able  
see I know it seems impossible  
But with God nothing is impossible  
in your season of waiting  
get up and praise  
When you wait  
whatever your prayer  
don't you faint  
God is able (God is able)  
see I know it seems impossible  
But with God nothing is impossible

o o o

in your season of waiting  
get up and praise  
The clouds are only gathering  
and the day is almost dawning  
hold on for a while  
the sun is soon to shine  
for faithful is He  
and He will complete  
that which pertaineth to thee  
in your season of waiting  
get up and praise

I just want you to know  
that nothing is too hard for God to do  
Hell make a way where is no way  
For nothing is too hard for God to do  
Hell make where is no way  
For nothing is too hard for God to do  
Hell make where is no way  
For nothing is too hard for God to do  
Hell make where is no way  
In your season of waiting

O o o

In your season of waiting  
get up and praise
