

# Yeshua

## Folabi Nuel

Yeshua  
When we call You, You will answer  
Yeshua  
When we call You, You Deliver  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
Yeshua  
When we call You, You will answer  
Yeshua  
When we call You, You Deliver  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
Yeshua  
When we call You, You will answer  
Yeshua  
When we call You, You Deliver  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name higher than Yours  
There is no name, no name higher than Yours  
Ohhhhhh  
There is no name, no name  
JESUS  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours  
There is no name, no name greater than Yours
