

Warm embrace

Calledout Music

Intro

You wrap me in Your warm embrace (x2)

Verse 1

My Father, I'm grateful that You call me Your own
Imperfect, I've tried and tried to do it alone
But I'll never stop chasing after You

Pre-Chorus

But as long as the sun rises
I'll keep on running (running)
You have the final word

Chorus

All I see is You
You're bigger than any situation
Even when I thought it was over
You came and wrapped me in Your arms
You wrap me in Your warm embrace

Verse 2

When the storms keep raging on (Keep raging on)
I close my eyes cuz that's the way I can hear Your voice (can hear Your voice)
I shut my mind from all the troubles that just may come
And I trust Your word cuz' that's the way I keep holding on and on

Pre-Chorus

But as long as the sun rises
I'll keep on running (running)
You have the final word

Chorus

All I see is You
You're bigger than any situation
Even when I thought it was over
You came and wrapped me in Your arms
You wrapped me in Your warm embrace

Bridge

I don't have to cry no more (x2)
You've made me whole again (x2)
I don't have to cry no more
I don't have to cry
You wrap in Your arms, You wrap me in Your warm embrace

Chorus (x2)

All I see is You
You're bigger than any situation
Even when i thought it was over
You came and wrap me in Your arms
You wrapped me in Your warm embrace
