

The Devil is a Liar

Sipho Makhabane

Jesus brought me this far-not to leave me
When my friends and loved ones
Are nowhere to be found
He's always closer
No no no, the devil is a liar
He can't get over me
(Repeat)
He protects me, He guides me
Though I walk through the valley
I don't fear no evil
'cause Jesus is my shelter
No no no, the devil is a liar
He can't get over me
(Repeat)
