

# Still Standing

## Yeshuwa

I've been to the valley, I've been to many storms.  
No matter what they throw at me. They still can't touch me no no  
Cause I'm hidden in Christ and Christ in God.  
I will sing, I will dance, I will just and I will show(heeeeey)  
You think you have me pinned to the world  
I'm still standing  
You think you've seen the end of yeshuwa  
I'm still standing  
I'm standing here by his grace  
I'm still standing  
You ain't seen bouncing back  
I'm still standing  
He that dwelleth in the secret place of the most high  
Shall abide under the shadow of the almighty GET UP  
The harder you come, the bigger you fall  
You ain't as tough as you think you are  
He suffers no man to do me wrong  
He reproves Kings for my sake  
I will sing, I will dance, I will just and I will show(heeeeey)  
You think you have my life in your hand  
I'm still standing  
You think you've gotten rid of yeshuwa  
I'm still standing  
I'm standing upon the rock  
I'm still standing  
You ain't seen bouncing back  
I'm still standing
