

Generous giver

Bobby Jackson

You're the generous
Generous giver
Who gives to all who call on you
You're the faithful faithful father
Who loves to show unfailing love
My hands are lifted up to
Nothing is too hard for you
You hear me when I call your Name
Jesus my helper

Chorus

Faithful God only you can do
More than what we could ever know

Vamp:

Generous giver
That's who YOU are
You're the faithful God
Faithful God
More abundantly is how much you give
Faithful God
You're the faithful God...
Chant till fade.
