

Andikan (Victorious God)

Janess

Youre the God of heaven and earth You reign
Youre the One who parted the red sea into two
 Youre God
 Youre God.
 When I call your name
 Demons have to bow
 Even Angels bow before You
 Nothing can withstand your power ooo..
 Afodi Andikan..
 Afodi Andikan..
 Afodi Andikan
 Youre the God of Wonders and Power
 You reign
Whatever You say shall surely come to pass you reign Amen!!
 You reign, you reign
 We dont have to fear
 Its all your care
You know our tomorrow nothing can defile yeah!
 You reign
 Afodi Andikan..
 Afodi Andikan..
 Afodi Andikan..
 You are the God everything
 All of my life You have never failed me Lord
 Me lord
You win the battle everywhere call on his name and Hell never let you down ooo
 When he roars like a lion
All his enemies Will scatter you are the only God
 No power is greater than
 All I know all I know
 You are the one
 You are the one
 You are the victorious God
 Agidingba..
 Agidingba
 Atobiju..
 Atobiju..
 Agidingba..
 Afodi Andikan.
