

# Awesome God

Ubong Clifford

Lead:

Few months ago, I said my prayers  
To the one who gives me breath,  
Miles down the Road  
The devil struck  
I was involved  
In a ghastly accident,  
All I thought of, was my lonely mom  
All of the stress, she has been through for me  
I saw no room for, survival  
But by his grace, am made whole again  
Lord how can I forget this love  
Its because of this love, you left your throne  
Lord for my sake you became poor  
You shed your blood on calvary  
Call: Thats why I bless your name O God

Pre chorus:

For you are the lord, the all sovereign God  
The one who was and is to come  
The heavens and the earth  
The all belong to you  
Lord you reign in majesty

CHORUS:

You are awesome God  
Ever presents in trouble  
How I love you, I will worship at your feet

Repeat 4x

BRIDGE:

Oh oh oh oh

Oh oh oh oh

Repeat 3x
