

God of mercy

Chika Chidiebere

God of mercy
God of all grace
We give You glory
We give You Honor
We adore You
We worship You
We lift your name high
Chorus
Above every other name
Above all situations
Lord we lift Your name
We lift Your name on high
Above every other name
Above all situation
We worship You
We lift Your name high
Faithful God
You are the God of all grace
Your Grace will see me through it all at all times
From age to age you've never changed
Your mercy endureth forever more
Wonder working God
You picked me out of the miry clay
And set my feet upon on a very solid Rock
Your mercies keep me in awe of you
That's why I praise Your name God of Grace
Chorus
When You heal us Lord
Its all because of Your mercy Lord
We become successful
Also a sign of grace at work
We magnify your Holy name
Your love for us cannot be explained.
Chorus
