

# Wonderful Halleluyah

Lara George

Verse 1:

You have brought us  
Through the ruckus  
And through the waters  
Halleluyah

You have raised us  
Over every mountain  
You are the living fountain  
Halleluyah

Lord we praise Your Name  
You are Wonderful  
So Halleluyah

Lord we magnify, magnify You today  
You are Wonderful, so halleluyah  
Halleluyah (2x)

You are Wonderful  
So Halleluyah

Bridge:

Oh oh oh oh

Every nation, every tribe

And every tongue

Sing Halleluyah

We Your children

Give You praise

We lift up our voice

And sing Halleluyah

Halleluyah (2x)

You are Wonderful

So Halleluyah

You have brought us

Through the ruckus

And through the waters

Halleluyah

You have raised us over every mountain

You are the Living Fountain

Halleluyah
